## **RENEW LIFE**

### **MISSED APPOINTMENT POLICY**

It is the standard procedure of Renew Life to provide excellent care and courtesy to our clients. We go above and beyond the norm to attend to your needs. This includes arranging our schedule to accommodate anyone that needs our care.

One very important aspect that we need you to keep in mind is that we set aside an entire hour for your appointment. This means this time is reserved just for you. Because of this, we cannot possibly accept cancellations with less than 24 hours notice. If you cannot keep your appointment we very respectfully ask that you allow us that amount of time so that we may have an opportunity to fill that slot with someone else. With the exception of very serious emergencies, we expect you to adhere to your agreed upon appointment time or you will be asked to pay the full fee of the service.

Another point to be aware of is our appointments run back to back. If you are not on time to start your treatment we cannot penalize the person following your appointment. Therefore, the length of your treatment could be cut short if you are not here at your scheduled time.

Once again, we want you to be aware that we really care and want to provide the most optimum service and will be here to deliver what is needed. We respectfully ask you to do the same with us.
